Time is money... Symmetry spends 10% on data entry and focuses 90% of its efforts on higher reimbursement rates and compliance.

"With just ONE of the MANY changes Symmetry recommended to my billing department policies, I started capturing income that had been neglected for the past 9 years with my previous billing company, and that had cost me nearly a quarter of a million dollars in lost income!

Since Symmetry Billing took over, my monthly revenues have increased by over 300%!"

- Dr. Shawn Richey, Sewickley, PA
